Re: *United States v. Helbrans, et al.*, 19 Cr. 497 (NSR)

SO ORDERED:

HON. NELSON S. ROMAN
UNITED STATES DISTRICT JUDGE

Dear Judge Roman:

The Court previously excluded time pursuant to the Speedy Trial Act until September 30, 2020. On September 29, 2020, the parties were notified that the Court would be adjourning a conference in the case previously scheduled for September 30, 2020 until at least December 9, 2020. The Government therefore writes to respectfully request that the Court exclude time between today and December 9, 2020, or the date and time of the next pretrial conference in this matter as set by the Court. The Government submits that the ends of justice served by granting the requested continuance outweigh the best interests of the public and the defendants in a speedy trial by allowing the defendants to continue reviewing discovery and preparing any appropriate pretrial motions. The Government requested the consent of defense counsel for this request on September 28, 2020 but has only heard back from counsel for Aron Rosner and Mayer Rosner, both of whom consent to the request.

Respectfully submitted,

AUDREY STRAUSS
Acting United States Attorney
